Urban oasis,  
shared  
experiences

---

Sheraton Milan San Siro is a quiet haven within dynamic Milan standing in an oasis of green, which integrates seamlessly with the hotel's interior, inspiring a sense of shared experience. Modernist curved architecture characterizes the unique building, reflected through the inner public and private spaces that have been designed as a place to connect, using the very best of Milanese styling.

## Silene Bar & Restaurant

Luminous and versatile, Silene Bar & Restaurant offers all day dining menus with a hand-crafted selection of northern Italian cuisine and grab-and-go options. Overlooking a unique terraced garden, it sets an ambience for a moment of relaxation around the clock, from early morning breakfasts until after dinner drinks.

## El Patio del Gaucho, Javier Zanetti

El Patio del Gaucho, Javier Zanetti offers Argentinian classic meat dishes while adding a modern twist with fish and vegetable options, making it the steakhouse of choice in the city. It also offers an array of shareable bite-size dishes during aperitifs. An Argentinian themed menu is also available for banqueting events. An adjoining children outdoor area harmoniously blends with the overall atmosphere.

## Guestrooms

The hotel features 310 guestrooms cleverly designed with both business and leisure guests in mind, providing spacious, contemporary rooms that have a unified, sleek style and optimum functionality. The interiors, inspired by a Milanese design, are united by a thoughtful combination of styles recalling a cool 1960s look that is offset by rich textural fabrics and bespoke furnishings.

## Club Rooms

The 80 Club rooms located on the two top floors give exclusive access to the generously-sized Sheraton Club Lounge, a place for personal or collective downtime with dedicated check-in and check-out and refreshment options throughout the day.

## Suites

The 25 suites set an ambience where a sleek refined design meets a supreme comfort. Designed with both business and leisure guests in mind the light-filled rooms boast an intimate living room that sets the scene for convivial social gatherings or for a pure moment of relaxation. Many of them overlook the thriving hotel garden. The suites guests also benefit of the exclusive access to the Sheraton Club Lounge.

# Sheraton Club

The generously-sized Sheraton Club located on the 6th floor offers a place for personal or collective downtime. Open all day from the early morning breakfast until late night, the Lounge is a quiet space for casual relaxation or an informal working session. It also offers Club Guests (staying in the Club Rooms or suites) a dedicated private check-in.

- 21 Events rooms
- Total sqm: 2,500.
- Main ballroom: 500 sqm, hosting up to 500 people, max ceilings height: 5m.

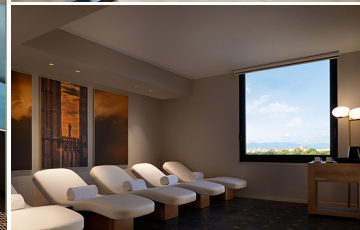

## Meeting rooms & Function spaces

With an independent entrance, 21 meeting rooms, 19 boasting natural light, 2 transformative ballrooms including one with a full window wall top to bottom, the hotel offers extensive meeting and event facilities spanning a total of 2,500sqm, also boasting a unique garden and pool area ideal for social events. The offer is further enhanced by the possibility to have a customized Argentinian menu inspired by El Patio del Gaucho, Javier Zanetti restaurant offer.

## Fitness & SPA

---

Located on the top floor, a brightful and state-of-the-art Technogym equipped fitness center and a comprehensive SPA provide further opportunities for relaxation and wellness. The spa features 4 treatment cabins and a suite SPA with private sauna, caldarium, laconicum, aromatherapy, emotional showers and an intimate relax area.

## Pool Oasis

The hotel has a large outdoor swimming pool with adjacent kids pool that offers an additional way to disconnect from the pace of the city and relax in calm, contemporary surroundings. The Pool Bar, together with the serene garden terraces setting draw in locals, is ideally set to mingle with guests and enjoy aperitifs or leisurely dine.

## Other Services

We provide a shuttle transfer that connects our hotel with the closest M5 Metro Line (Stop "San Siro Stadio"). For our little guests we have a dedicated children outdoor playground, right beside the terraced garden in front of Silene Bar & Restaurant and El Patio del Gaucho, Javier Zanetti. A babysitting service is also available on request.
